Main Activity

(60 - 90 minutes)

Deliver an awareness campaign through a Social Media medium or similar highlighting different types, possible risks and consequences.

Students are encouraged to share their thoughts and ideas to express a positive message about Social Gaming through Social Media.

This activity focuses on Leadership and Teamwork. Students should use the appropriate YGAM skills sheet to help them prepare for and review this activity.

Plenary

(10 minutes)

What have we learnt?

Following the lesson, ask the students to feed back on what they have learned about social gaming. Use the learning outcomes as above to measure and assess the impact of the lesson on the students. You can use the YGAM self/peer assessment documents or grade them yourself using our progression grading system.

Extended activity
Students could further explore and discuss whether revised attitudes towards Social Gaming and whether or not there ought to be more ways to protect people from spending too much time and money.
